

BACO fully committed into the future

A Key player on the market for control and signalling units, cam switches and disconnect switches, BACO is recognized for its professional expertise and compliance with safety standards. BACO is committed to a quality charter based on the quality and reliability of its numerous and flexible solutions.

CONTROL AND SIGNALING UNITS

► **A wide range**

- Pushbuttons, Selector Switches, Emergency Stops and Pilot Lights
- Excellent modularity for a large choice of combinations with a minimum number of items
- Customized products to meet the most specific needs

CAM SWITCHES

► **A reference on the market**

- A worldwide reputation of know-how for more than 50 years
- A range from 10 to 63 A (panel mount or enclosed)
- More than 50,000 different electrical diagrams available
- Numerous specific functions and special engravings

DISCONNECT SWITCHES

► **Great flexibility in use**

- Compactness
- Flexible combinations for customized applications
- Reversible terminal blocks for front or rear mounting saving valuable time during installation

THE BACO QUALITY COMMITMENT

BACO products have a 10-year guarantee and are exceptionally reliable, that is why they are ideal for integration into systems that do not tolerate any failure (military, aeronautical, space exploration, medical research equipment, etc.). Moreover, BACO product ranges offer ingenious and reliable solutions that are fast and easy to implement.

That's why BACO is now providing a 10-year guarantee on all products. This guarantee strengthens the assurance of having a solid and committed brand by your side. With BACO, you can be sure that you have made the right choice.
