

Complete Marine Product Solutions

MEMBER OF
NMMA™
National Marine
Manufacturers Association

High Quality Components

Wesgarde has been a trusted wholesale distributor for the marine market of electromechanical, interconnect, and battery management products for 45 years. We supply high-quality electrical and electronic components from only the top names. We not only offer the best products, but combine them with unmatched personal service, innovative inventory solutions and Value Add Services that many OEM customers have come to rely on.
